

4th Grade Jewish Studies Mini Project, Due March 29

First, write a short script for your 'movie' (video). Write down the ways you have been a mensch. You can ask your family to help you remember.

Give two examples: one with your family and one with your friends. Tell about each one. What did you say or do that was "so mensch"? What kind of response did you get from others? How did it make you feel?

Second, ask someone in your family to help you record a short video (1 or 2 minutes in length). In the video, tell what you wrote about.

You can do any of the following: **read** what you wrote OR **act it out** OR **make up a song** about it OR **draw picture cards** and use them to narrate what you wrote.

MOST IMPORTANT IS, TO HAVE FUN DOING IT 😊

If you have any questions feel free to email or phone me:
